

# ENVIRONMENTAL INSIGHTS.. ISSUE 34

The CIP Environmental Insight is a bimonthly update of what's happening around the environmental agenda within the built environment. It's free and open to everyone. Some content is only available to subscribers of the CIP Environmental Manual and CIP Knowledge.

## Reporting Carbon Emissions

Action Sustainability, working in partnership with Build UK member the Supply Chain Sustainability School, has developed a free [Carbon Calculator](#) that enables businesses in construction to measure their carbon emissions and then share the information with their clients.
