

HEALTH & SAFETY INSIGHTS..

ISSUE 29

The CIP Health & Safety Insight is a bimonthly update of what's happening around the health and safety agenda within the built environment. It's free and open to everyone. Some content is only available to subscribers of the CIP Health and Safety Manual and CIP Knowledge.

Grenfell Inquiry calls for uber construction regulator

The [final report](#) from the Grenfell Inquiry was published in September. The report makes 58 recommendations and it is going to take time for those to be considered and implemented.
